
Get Exam Ready

Do's & Don'ts

Find a quiet, private room to take your exam, with your device on a flat surface

Clear all clutter and course material from your room, clear your workspace

Have your laptop charged and power cable in

Have your non-programmable calculator to hand (if applicable)

Save the TestReach customer support number to your mobile

Remove your mobile/smart phone from the exam room

Remove your smart watch from the exam room

Before your exam take a comfort break
